

Barton Office Professionals is off to a GREAT start this year. We will conduct our first meeting on September 15<sup>th</sup> with our Public Relations Office sharing information on our “Barton Brand”.

We have several planned events for the fall including the 1<sup>st</sup> annual Wine & Cheese Social, in the Shaffer Gallery, to coincide with our membership drive.

In November we will be hosting a breakfast to honor our Barton Veteran students, staff and faculty.

We are continuing with our “Cake & Cookie Gift” fundraiser & already have a couple of orders. Proceeds go towards student scholarships.

We are donating a “Dessert of the Month” to raise money at the annual Barton Foundation Auction. This event raises money for scholarships to help our students and features the culinary talent of our Barton Office Professionals!

Enrollment is up. We have a new Vice President, Foundation Director, added Welding classes and another sport – Wrestling at Barton. This is looking like an eventful year!
