

LCC KOLLATOR

NEW PRESIDENT

We welcome the new College President Dr. Mark Watkins. He was formerly the Dean of Instruction at LCC. He took over the position from Dr. George Knox, after he retired in June 2017. Here he is speaking at the Open House for the New LCC Library Building. The LCC campus continues to expand and change to meet the needs of the students and community.

NEW HOUSING

“What does the LCC student housing look like? ““Where is a good place for my student to live?”

In the past, LCC relied on students either driving to the campus or taking care of their own housing. For a short (continued, NEW HOUSING pg. 2)

SPECIAL POINTS OF INTEREST

- “In the past... we sold tickets to dunk specific ...”
- T-shirt Quilt and purse for fundraising
- New Buildings
- “...LCC is like a family.”

NEW HOUSING

time years ago, LCC had dorms. Although more often than not, renting or driving were the only options to students.

However, now there is a new housing option for our students. The Cardinal Villas are home to many LCC students. The Cardinal

Villas are owned by company that has worked with other community colleges and four year universities to provide housing. The Cardinal Villas provide a safe environment, and easy access to the LCC Campus.

“In the past... we sold tickets to dunk specific Administrators for fundraising.”

LCC AKCCOP MEMBERS

The LCC AKCCOP membership is made up of members from two groups on campus: the Professional Staff and Education Support Staff (ESS). Every year we trade off on working the Welcome Back tables during the Spring and Fall semesters. We offer beverages, snacks, and prizes. We often offer assistance in directing students to where their classes are on campus. Both groups provide opportunities to fundraise for the annual Scholarship Auction and Debbie Groff Books Scholarship.

The ESS group has previously done a fundraiser selling cutlery. There is also the bi-annual bake sale put on by both groups, in which the money raised goes

toward the Debbie Groff Books Scholarship. We have had goodies such as pie slices, pies, cookies, brownies, soup, cinnamon rolls, nutrition bars, and lots of other goodies.

In years past, we have had a dunk tank and sold tickets to dunk Administrators. We also raffled off a quilt made up of gently used LCC t-shirts. Materials and work were donated by LCC staff and ESS members.

Currently, for the Scholarship Auction we are donating a Michael Kors purse. In the past, we have donated pies made by a local pie maker or restaurant gift certificates. Every year we look forward to helping our students.

NEW LCC LIBRARY

A few years ago, the Bank of Parsons built a new facility and decided to sell their old building. Labette Community College purchased the building to house the new LCC Library.

The college began renovations from turning a bank into a functioning library. (continued, NEW LCC LIBRARY pg. 4)

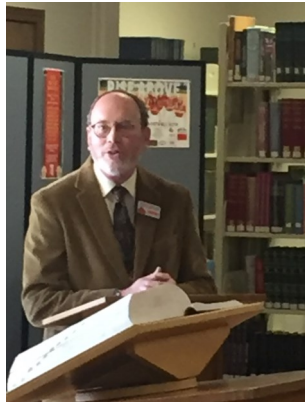

NEW LCC LIBRARY

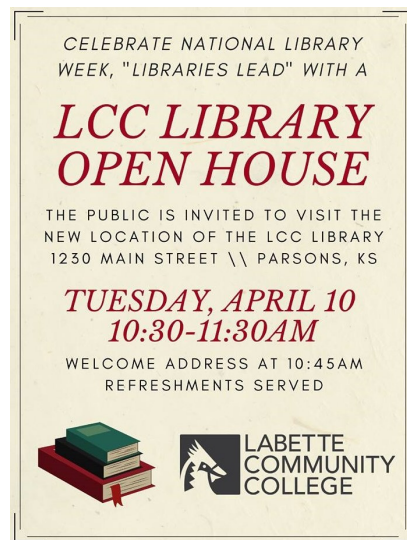

The old library was in the basement of the Main Building. It had been formerly the gym before renovations in the 90's and early 2000's. The Library has hosted many classes, book discussions, and events over the years.

In the last few years, the library began the weeding, sorting, boxing, and moving the department over to the new building . As of Fall 2017 the majority of

the library was moved over. However, there still remained important department fixtures, supplies, and materials that needed to be moved over. The library staff, facilities, the president Dr. Watkins, students, and many others helped move the remaining items. The Library hosted an Open House on April 10th from 10:30 a.m. to 11:30 a.m. to celebrate the new location.

Zetmeir Health Science Building

“...LCC IS LIKE A FAMILY.”

ZETMEIR HEALTH SCIENCE BUILDING

This newly constructed LEED certified two-story building has classrooms and labs for many of the Health Science Programs. The first floor houses Radiography, Sonography, and the Respiratory Therapy Programs along with a high tech simulation center which is utilized for hands on training

by all Health Care Programs. The second floor is devoted to the Nursing Program.

LABETTE COMMUNITY COLLEGE

KOLLATOR

We are located in the southeast corner of Kansas. Our AKCCOP group is made up of members from all over campus from two other college groups: Professional Staff and Education Support Staff. We enjoy supporting our students and enjoy all things that AKCCOP has to offer our members.

Our last KOLLATOR entry was 2011. Therefore this current publication is longer than normal as we tried to briefly select topics of interest from past and current year. Hopefully, we will do the more frequently in the future.

Current issue created by Lee Ann Eggers

UPDATE

Betty Story retired, and was replaced on the AKCCOP Executive Board. Paula Weidert was nominated to Member –At –Large on the Executive Board of AKCCOP. Lee Ann Eggers was also nominated to Member – At – Large during the 2017 AKCCOP Conference. At the Fall 2017 Executive Board Meeting Lee Ann replaced the former AKCCOP Webpage Master and maintains the Member-At-

Large status. Since then, the AKCCOP webpage has been updated. At the AKCCOP Conference 2018 in Pratt we had 4 members attend, with one of them being a new member.

The AKCCOP Conference 2019 will be in Hutchinson, Kansas. It is hosted this year by Hutchinson Community College. For more information about AKCCOP or the conference, please go to www.akccop.org.
